Infinit-I Workforce Solutions is the trusted online safety training and communications partner for 1,500+ companies and 300,000+ employees every year.

Create a culture of safety that reduces accidents, saves money, and increases profitability:

- **Leaders In Online Safety Training:** 20+ years experience is what makes the difference
- **Bulletproof Documentation:** Our testing and documentation show proof your workforce is well trained
- **Relentless Client Service:** We become an extension of your team to ensure a successful online training program
- **Reduce Violations. Reduce Accidents:** Frequent and consistent awareness training leads to better driver decisions
- **Video Content Solutions for Every Challenge:** Unlimited access to over 400 online videos and courses

We simplify administration of our system in two ways; we are here to support your users with IT issues, and we are here to support your administrators through our Client Success Team, who are proactive by reaching out to you twice a month.

- Onboard employees efficiently and effectively
- Frequent and consistent safety awareness training through short videos that help reduce accidents
- Remedial training documentation
