Irving, TX 75039

4 REASONS TO ATTEND Infiniti-I ENGAGE

1. Questions & Answers with an HR Attorney

The opening keynote presentation is delivered by an attorney at Cowles & Thompson and features a questions and answers period for you to get answers to your most pressing questions on your company's policies, training processes, and more.

2. Create a Custom Training Video

Learn how easy and affordable it is to create custom training videos of your own by getting behind the camera and creating a training video for your company.

3. Test Drive the Infiniti-I Workforce System

Our experts will help you uncover the tools and strategies that will drive your company forward using the Infiniti-I Workforce System for online training.

4. Earn Professional Development Credits

You came, you learned, and now you need credit. Attendees receive a course completion certificate. Certified HR Directors receive 8 PDCs towards SHRM recertification.

ENGAGE is for you if...

You're the President of a company and would like to learn how to protect your business from legal & compliance pitfalls.

You're an HR Director at a company and are looking for a faster and more effective way to onboard new hires.

You're a Risk Manager at a company and are ready to put plans in place to avoid, reduce or transfer risks that could impact your company's profitability.

You're a Safety Manager at a company who wants to ensure everyone in the company complies with health and safety laws.

Learn How to Improve Profitability

"Time is money, and the things you learn in this event and with Infiniti-I will save you money and save your company money – and will save you in a court of law."

Jim Murphy

Safety & Compliance Manager
Lone Star Milk Transport

Explore New Ways to Deliver Orientations

"The information I learned has helped us get our orientation program completely online and self-paced. In addition, we learned several ways to encourage our staff to complete this training on time, every time. Of all the information, the most helpful to me was the production information for our own videos."

Chris Wells

Safety Director
Norton Transport
